5W&Co

TEAM NIGHT AT BARRIO

Our team got together for a fun night at Barrio, enjoying good food, conversation, and plenty of laughs. It was a great chance to unwind and enjoy time together outside of the office.

AUGUST AT 5W&CO:

August was all about good food, great company, and making time to connect as a team. From grabbing a bite together to enjoying laid-back evenings outside of work, we had plenty of opportunities to spend time together and make some fun memories.

BREAKFAST OUT WITH THE OFFICE

Sometimes the best team moments are the simplest ones. August included a Waffle House outing filled with good food and even better company! It was such a fun way to start the day and connect with one another.

NIGHT AT THE WARDS

We also had the opportunity to spend an evening together at the Wards' house. It was a relaxed night of hanging out, catching up, and enjoying time with the people who make 5W&Co special.
